Serial 5

J 1240 — Letter dated 5/11/11 from Mr C. Srinivasa Iyengar retired Councillor and member, Mysore Legis council forwarding a travelling allowance bill for Rs 215-10-0 for journeys made in connection with the Meetings of the Legis council, the Economic conference and the Dasara Durbar.

Submitted.

Items marked 1, 2, 3, 10 and 11 in the bill enclosed relate to the Legis council meetings attended and as Mr C. Srinivasa Iyengar states that he has ceased to be a permanent resident of Bangalore and that Closepet has now become the place of his ordinary residence allowance may be allowed for the journey as well as for the halts. But in each case the rates claimed in the bill are excessive. The single 1st class railway fare from Closepet to Bangalore is Rs

Rs 2-10 and so he is entitled only to Rs 5-4- for joining in each direction and not to Rs 10 as claimed in items 1 and 3. The daily allowance allowed is only Rs 7-8-0 per day and not Rs 10-0-0 as claimed in the bill in items Nos 3, 10, 11.

Therefore ~~so far as this~~ the bill so far as it relates to this Branch will have to be corrected as follows:-

Items in the bill	amount claimed	amount that can be allowed
1	10-0-0	5-4-0
2	10-0-0	7-8-0
3	10-0-0	5-4-0
10	10-0-0	7-8-0
11	10-0-0	7-8-0
Total	50-0-0	33-0-0

The other items will have to be noted on in Branch. This may therefore be complete transferred to Br. IV with the remark that the amounts claimed in items 1, 2, 3, 10 and 11 should be allowed only to the extent noted above.

FILE No. 17-11
SERIAL No. 12

Sir,

I have the honor to acknowledge the receipt of your letter No.F.2536/Legis:17-11, dated the 1st March 1912, making certain observations in regard to that portion of my Travelling Allowance Bill for September and October 1911 which relates to the Legislative Department, and asking me to submit a revised bill in accordance with those observations.

2. In reply, I beg to state as follows:-

(a.) When I prepared the bill to which exception has been taken, I was not unaware of the existence of Go Order No.F.1249/Legis: dated 17th October 1907 to which you have been pleased to draw my attention. b I believed that it could never have been intended t apply to the case of a retired officer who, immediat ly before his retirement and apart from his being a member of the Legislative Council, was entitled to Travelling Allowances at rates higher than those sa tioned to non-official members of the Legislative Council by the said order. My belief is that an ex ceptional case like mine did not occur to Governmen when the order in question was passed; and that oth wise separate suitable provision would have been mad for it in the said order in the same way as has sin been done in the Proceedings of Government No.G 60/ G M. 36-11-68 dated the 6th December 1911, which recognizes the fairness of continuing to a re Councillor rendering public service in an ho

capacity the same allowances as those admissible to him before retirement irrespective of the lower rates of allowances prescribed for other non-official members, pure and simple, serving in the same capacity. As a retired Councillor attending the Dassara and Birthday Durbars my allowances continue substantially uncurtailed. And as a member of the Economic Conference consequent upon my being a member of the Legislative Council, I have been given the same rates of allowances as those to which I was entitled before my retirement. And yet as a member of the Legislative Council I am now told, ~~to my painful surprise~~, that I must accept Travelling Allowances at certain reduced rates. This, I submit, is a dictum the correctness and fairness of which I confess my inability to admit I beg to invite special attention to the Proceedings of the 6th December 1911 referred to above, which while reproducing the rates allowable to members of the Legislative Council of whom I am one, makes an exception in the case of retired Councillors like myself who before their retirement were in receipt of allowances at ~~the~~ certain higher rates. What applies to the Economic Conference applies also to the Legislative Council. That as a member of the Legislative Council I should be required to accept lower rates than what I am entitled to as such member necessarily serving on the Economic Conference, is an anomoly which I feel I have only to bring to the notice of Government to ensure ~~its~~ ready rectification.

(b.) Railway fare and Daily allowance are exchangeable according as the one or the other is to the advantage of the Officer concerned- (vide Articles 552 and 590 of the Mysore Service Regulations). Suppose an ~~offic~~ Officer entitled to a daily allowance of Rs.5/- travels by Railway a distanee of 7 miles. He can claim Rs.5/- for the day though double 1st class fare comes

to only Rs.1-5-0. Similarly suppose he travels 100 miles by Railway in a day. He can claim Rs.18-12-0 for the day instead of Rs.5/-. What applies to Officers applies also to others similarly circumstanced.

(c.) I came to Bangalore on the 27th October in orde to attend a Meeting of the Industrial Section of the Economic Conference on the 28th. If I had gone back on the 29th, I could certainly have claimed an allowance for that day. Instead of doing so, I preferred waiting at Bangalore to be able to attend a Meeting of a Select Committee of the Legislative Council on the 30th Idem. If the interval had been somewhat longer, I should certainly have gone back one day an come again another day, thus entitling myself to an allowance for two days instead of for one, Or, if I had anticipated this objection, I could have gone bac on the morning of the 29th and returned here again or the evening of the same day. In either case, Government should have been none the better for this troubl on my part. Then again, if instead of my attending the Meeting of one institution on the 28th and ~~that~~ of another on the 30th, I had attended the Meeting of a sing institution on the 28th and its adjourned meeting on the 30th, could my claim to halting allowance ~~on~~ for the 29th (Sunday) have been reasonably objected to ?. I venture to think, not.

3. Under these circumstances my humble submission is that my bill now under the consideration of Government doe not require revision in the manner indicated in the letter under acknowledgement.

I have the honor to remain,

S i r,

Your most obedient servant.
